

## DURMA PBF SERIES CNC PRESSBRAKES

We believe the PBF Series to be the best performance/price ratio CNC press brake in the world; combining European quality, performance, value and simplicity. PBF Series Press Brakes are designed for cost effective manufacturing and incorporate easy-to-use beginner level CNC programming with the DT10 2D Touchscreen controller.

### All PBF Series machines come standard with:

- Durma DT-10 2D Graphical Touch Screen Control with optional offline Software.
- Y1, Y2, X, (3 Axis)
- Manual Crowning System.
- Front support arms with T-Slot.
- Motorised programmable back gauge with automatic retraction and linear guideways.
- Laser Safety System and protection covers
- Two year Warranty

# FULL CNC EUROPEAN QUALITY PRESSBRAKE FROM \$ 44,000 + G.S.T.
