

## 43CM BATTERY - MULTIPLE APPLICATION SCRUBBER

20 Litre Solution Tank

- NEW 24 Volt compact scrubber dryer available for the aged care facility, small grocery store where nothing will stop the scrubbing action.
- Innovative lateral bumper rollers on squeegee protect the machine and other objects.
- Has easy maintenance access to battery and other components.
- Hygienic according to HACCP standards, the scrubber dryer features a removable recovery tank with an easy to replace cover gasket for thorough cleaning and disinfection. The excess fresh water can be drained completely.
- Easy-to-read fresh water level indicator integrated into the drain hose.
