

FIRE FIGHTING - IRRIGATION - WATER TRANSFER - TRASH

1.5" FIRE FIGHTING PUMP GX160

MH15-SHP

The MH15-SHP is a petrol, Honda powered pump with 1.5" suction and outlet. It's size and portability, and the self-priming pump powered by a reliable Honda GX engine make it a versatile unit. This model is perfect for domestic firefighting applications, as well as water transfer, high pressure wash down and other household/farm work.

The pump is a single impeller, self-priming model so it is simple to operate safely. It includes a single 1.5" inlet valve, two 1" outlets and one 1.5" outlet.

POWERED by
HONDA™
