Trolley frame plus three-year Robin engine warranty.

At 2700 psi, this Cromtech pressure cleaner is built with an AR brass head axial pump with outputs of 10L/min water flow. It is ideal for all-round cleaning at home, for light trade and agriculture.

The features include a trolley frame to allow it to be moved easily. It also has four attachable nozzles for a variety of cleaning applications. Furthermore, it comes with a long 10-metre hose which allows for efficient cleaning without having to move the machine. A turbo nozzle, hose extension and a15 Surface Cleaner are included in the optional extras.

This petrol pressure cleaner has a powerful 6.0hp Robin engine that provides longevity and performance. It also comes with a CROMTECH one-year warranty and is supported with an
