Panther 25-H CNC Router with auto tool changing

The machine is professional and efficient woodworking engraving machine, it suitable for large-volume, Joint processing of multi-model tool

Specifications:

1. The machine can choose adopt Delta servo motor ,built-in encoder, It can stop automatically when graunch happens, so accidents can be avoided .
2. Whole machine is welded with seamless steel structure, the regidity is good , not easy to be deformed. The side board of gantry adopt steel structure.
3. All adopt imported square orbit , two line sliding track, heavy loading, stable working , high precision and long lifetime. Adopt imported ball screw, high precision.
4. NK 200 control system: The embedded numerical control system based on windows platform can upgrade the functions infinitively. Anti-interference design of the hard and software synchronistically make sure of the reliable operation. Advance 3D space curve prediction algorithm can make sure of the evenness of polyline and the speed and precision of curve lines. Advanced file pretreatment function can correct the error in the files and is compatible with the process codes of multiple national and international software. (such as Mastercam, Typ3, UG, Artcam, Caxa).

Parameters:

MODEL	25H CNC Woodworking Machine
Working Area (X*Y*Z)	1300X2500X200mm(51X98.4X 7.8inch)
Table structure	Common or by suction
Processing accuracy	0.05mm
Repositioning accuracy	0.02mm
Spindle	4.5 KW variable speed , water-cooled
Spindle rotating speed	0-24000rpm/min
Max Moving Speed	20000mm/min
Working speed	0-15000mm/min
Driving mode	Z-Ball screw , XY-Rack drive
Voltage	AC380(415)V/50Hz
Max. Power consumption	7.2KW
Feeding Height	200mm
Drive motor	Servo(Delta)
Command	G.code , mmg , plt , uoo,HPGL
Compatible Software	Type3, Artcut, ArtCAM, masterCAM software
Controlling software	NC system (with screen display)
Certificate	CE,FDA
Dimensions over all approximately	2280mm x 3500mm x 2050
Net Weight	1500Kg

Controlling system:

Vacuum and water pump:

Collects and Tools

Optional part:

Vacuum table	\$ 1,600.00 Incl. GST
Dust collector	\$ 600.00 Incl. GST
Water tank	\$ 400.00 Incl. GST
Ball screw X and Y	\$ 4,400.00 Incl. GST

1 Set Panther -25 H CNC Router with auto tool changer AU \$ 32,900.00- Incl. GST

Terms & Conditions:

12 months warranty on parts.

Manufacturer warrants the products to be free from defects in material and workmanship for 12 months from the date of shipment to the original purchaser only. We will send parts (FREE) use UPS for your replacement. If the machine has worse running problems, we will send engineer to your factory for maintenance.

NOTE: All tooling is considered wear items which not covered under machine warranty.

Training & Setup: Additional

Machine should be placed in position and main power connected prior to setup and training at customer site. Customer should pay for travel plus related expenses (may include hotel, airfare, and rental car etc.) We also welcome customer to send people here for training on how to operate the machines.

Lead time: 3~5 days, and customer should pay all relative expenses by themselves.

Price are variable based on exchange rate quoted = \$

Quotation Valid for 30 Days and subject to terms and conditions

Delivery 6-8 Weeks from receiving deposit and order

Deposit 40% Rest before shipment

Freight Ex West Gosford

Date 16.09.13

Hoping this quote meets your requirements and we can be of assistance in the future.
