

SURESWEEP FLOOR SWEEPER

STR1800 Ride On machine

- TRS-Flex System, for unbeatable sweeping performance.
- Very stable, modular construction with a Fully-hydraulic drive.
- Powerful motors with a large 380l dirt collector, all usable capacity.
- 2 side brushes support the work of the roller brushes by sweeping debris from edges and corners of the roller brushes, which subsequently take it in.
- Ideal for large areas including exhibition halls, industrial areas, stadiums, underground parking.
