

FIRE FIGHTING - IRRIGATION - WATER TRANSFER - TRASH

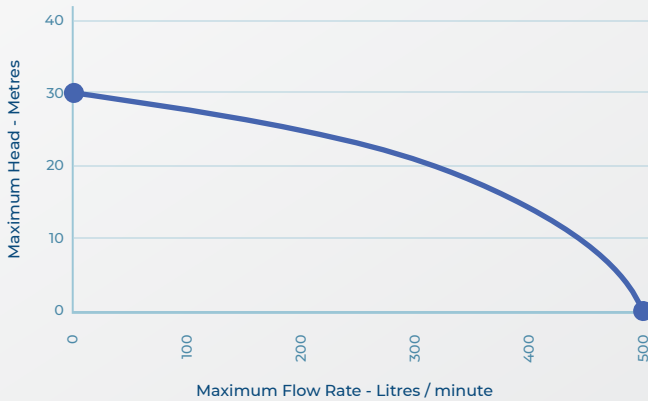

# 2" YAMAHA WATER TRANSFER PUMP

## MY20

The MY20 is a Yamaha powered 2" Water Transfer Pump. The heavy duty, single impeller pump is manufactured from high quality cast aluminium including the housing, fittings and impeller. This is powered by a Yamaha MZ175 petrol engine. The MY20 is a hardworking and affordable option for a wide range of water transfer tasks. It is perfectly suited to dam or tank fill and transfer, site dewatering, irrigation, and stock watering. The lightweight design and sturdy rollover frame make it an extremely portable and versatile unit.

MY20 PUMP PERFORMANCE CURVE
